

Moving Day Kit Shopping List

Here is a general list of the items that we'd like to put in our Moving Day Kits. We give these kits to our clients who are moving out of their home as a thank you to them for letting us help them with their real estate needs. The kits are intended to be a helpful tool to our clients to make their moving day a little bit easier. The goal is to spend \$45.00 or less on each kit while providing our clients with many of the little items that they might need while moving but can't find because their belongings are packed!
